Washington, D.C. 20520

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to the United Kingdom of technical data, defense services and defense articles for the manufacture of the X300 transmission for use in the MCV-80 high mobility tracked vehicles of NATO countries and Austria, Australia, Egypt, Finland, Kuwait, Malaysia, New Zealand, South Korea, Sweden, Switzerland, Taiwan, Thailand, and the United Arab Emirates.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Paul V. Kelly".
